Students are charged fees based on their enrolments and are actually charged by course. Each course is set with a unit value and this determines the charge. 2011 fees are calculated per 4.5 units being 1/8 of a total program fee; if a 9 units subject exists this is calculated at 1/4 of the total program fee.	
Example: Diploma of Business total fee \$14,800 comprising of 8 x 4.5 courses = \$1,850 per course (\$14,800 / 8 = \$1,850).	
All fees are payable by the semester, in advance, with the actual fee being based on the number of courses taken in that semester.
